## CROWDS, GOOD WEATHER FOR BIG WESTERN WEEKEND

Warm weather and sunny skies favoured those who attended events of a western weekend in Drayton Valley. Good crowds on hand for the amateur rodeo, Saturday, and the gymkhana rally, Sunday, reaffirmed Western Alberta's interest in horsemanship and the rugged rodeo game.

Events of the weekend kicked off with a pancake breakfast Saturday morning followed by the big parade which again proved very popular. Over seventy entries helped to swell the size of this year's parade.

Four girls, Valerie Guyon,

Betty Hodgson, Lorraine Lauer, and Diane Starenchuk took part in the rodeo queen contest with Miss Guyon emerging as the eventual winner. She received the Queen's Trophy and gift certificate at the dance on Saturday evening. The trophy was donated to

Valerie by Mr. L. Sharkey on behalf of the Rodeo Committee. Runner-up was Diane Starenchuk of Edmonton.

The girls were judged on 50 percent ticket sale; 25 percent horsemanship; 15 percent personality and 10 percent dress. Judges for the Queen contest were Walter Curries, Niton Junction and Jean Gilbert of Seba Beach.

Winner of the side of beef bought her ticket from one of Diane Starenchuk's books. Lucky ticket holder lives in North Edmonton, Mrs. Charles Nagel.

The rodeo results are as follows with 1st, 2nd and 3rd place winners respectively: Bareback - Belt Buckle Donor, Schmidt Livestock, Barrhead. Gene Miller, Sangudo; Bill Sands, Rocky Mountain House; Glen Thompson, Edmonton.

## FINAL READING CLOSING BYLAW

Bylaw No. 404, the Early Closing Bylaw, received third reading at the last regular meeting of Town Council held August 8, and becomes effective on September 15, 1968.

Submissions by merchants supporting and opposing the bylaw were heard prior to final reading of the contentious bylaw that has been under consideration for the past several months.

In support of enforcing the new bylaw was a petition submitted by the Retail Merchants Association and signed by sixteen retail merchants.

A. Bischoff of The Odd Spot suggested that the dividing line between sales and storage area be of permanent construction and also the retail outlet qualifying under the bylaw for extended hours be not permitted to deliver merchandise.

A submission by John Getzinger suggested that the sales area permitted for stores remaining open is not large enough and also queried the one-third to one-half minimum-maximum for groceries.

Valley Drug Ltd. submitted a protest to sections of the bylaw which do not permit the drug stores to sell articles after regular hours that may be sold in stores qualifying for late closing.

Council studied all the submissions and finally gave the bylaw third reading amending only Section 9 which will make it illegal for stores qualifying for late closing to deliver merchandise.

## D. V. Highlights

BY MRS. EDITH DEBY

Mr. and Mrs. C. D. Fuhr send greetings to all their friends in Drayton Valley. The Fuhr's are living in Seattle now.

Mr. and Mrs. Wolfe of Calgary spent the week-end with the Bohdan Urchyshyn family. Mrs. Wolfe is Mr. Urchyshyn's niece.

Mr. and Mrs. Leslie Tucker have gone to Vernon to visit relatives and friends.

Mrs. Hammerlindl and her luggage have been re-united. When Mrs. Hammerlindl turned her back for a moment in the London airport her luggage was snatched up and disappeared. It was found eventually in Chicago.

Michael Gormley has had cousins visiting him and together they did a lot of sight-seeing in Jasper, Banff, Calgary and the west coast.

Mr. and Mrs. Howatt and family have just returned from a two week stay on Shuswap Lake sporting lovely summer tans.

Little Miss Virginia Batke had the misfortune to cut her wrist rather badly on a piece of broken glass. The resulting gash required several stitches. It takes more than that to keep a good gal down and Virginia was to be seen riding her bike in Saturday's parade.

Miss Edith Knott, a seamstress well known in this locality, is working on an improve-

ment for the sewing machine. Although Miss Knott is not prepared to give out much information at this point-no patent yet - we are led to believe that her modification will have no bobbin.

Mrs. Lindsay Johnston called on the Peter Gregerson's at their new home in Summerland and found them settled in and very happy in their new surroundings.

Congratulations to the two lovely young ladies, Miss Gail Meston and Miss Valerie Guyon who were our queens for Western Week-end.

Congratulations to Mr. and Mrs. Gene Harris on the occasion of their fourteenth wedding anniversary.

Father Lynch is taking a short course at St. Joseph's Seminary this week.

Best wishes for future happiness are extended to Mr. and Mrs. Albert Bouchard, nee Pat McColman; Mr. and Mrs. Gerry Anderson, nee Lorraine Robertson; and Mr. and Mrs. Kenneth Bigelow, nee Marie Larmour.

Hope to see you at the W.I. Flower Show next Tuesday in the Elks Community Hall.

## EDITORIAL COMMENT

### Big Future for Riding Clubs

The ever-increasing interest in horses and riding events that has swept Canada and the U.S. has enthusiastic supporters in our community and the general West Central Alberta Area. Over the weekend gymkhana and rodeo alike, attracted good crowds of interested spectators.

We believe a good start has been made in the rodeo field and this event, with a little more work, can become a prime yearly attraction throughout Western Alberta. This year riders were on hand from quite a distance and several more from southern parts of the province were turned down because of late entry.

The gymkhana clubs, featuring many excellent horses and riders, have made their places in communities throughout the province and are serving to keep young people happily interested while they learn sportsmanship and respect as well as becoming excellent riders. Riders from eight area clubs put on a show Sunday that

kept the interest of the large crowd in attendance.

Our congratulations to rodeo and gymkhana riders for their weekend entertainment and community contributions. It is our hope that both organizations will go on to bigger and better events with each succeeding season.

### Kansas Tourists Enjoy District

We commented recently on the possibility of Drayton Valley receiving a little more of the tourist trade as Highway 57 becomes better known as a shortcut between Highways No. 2 and 16 and have since heard several people note that out-of-province license plates appear to have increased in town this summer.

Two visitors who found their way to Drayton Valley enroute to Jasper this week were Mr. and Mrs. Marcus Oakleaf of Mound Valley, Kansas. Coming from an agricultural area on the Kansas-Oklahoma border the couple found much of interest in our farm and oilfield operations. Their stop for gas

turned into a day and overnight visit to the community which they appeared to enjoy very much.

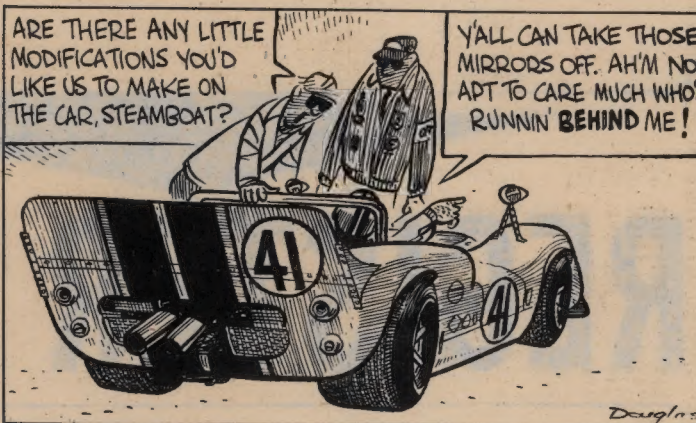

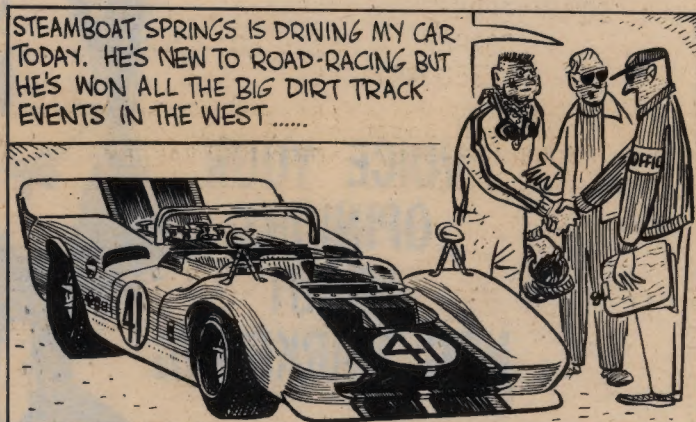

We expect that the number of tourists who find their way to this community will increase over the years and hope that Mr. and Mrs. Oakleaf and those that follow will enjoy visiting our area and the mountains to the west.

## Master Farmer Nominations

Seventeen nominations for Master Farm Families have been made in Alberta, S. S. Graham, director, Extension and Colleges Division, said last week.

Most of the district judging has been done and regional judging is expected to be completed in August. It has been difficult for the judges to make a choice this year in central Alberta because drought has hit crops hard and so they do not look their best.

Farm family awards are made on the basis of good farming, good family living and work by the family to improve the community.

# Circus Arriving at Dawn Saturday

Saturday is circus day. The arrival of a real 4 ring European-style circus takes place in Drayton Valley as the big Carson & Barnes 4 ring circus arrives at daybreak for performances at 2:30 and 8:00 p.m. on the circus grounds near L.B. Motors, sponsored by the Drayton Valley Chamber of Commerce.

The show will arrive on three colorful convoys at daybreak and the always interesting and traditional spectacle of watching a tented city suddenly arise on circus morning is expected to start approximately at 8:00 a.m. at the showgrounds.

The circus officials commented that in nearly every city where they have visited this year, they have been greeted by hundreds of local citizenry on hand for the arrival event, which seems rarer today in view of the fact that several of the other larger circuses exhibit only in arenas and auditoriums and that the tented circus seems to be more popular than ever before.

They also stated, too, that most of the youngsters on hand for the arrival and at the performance are probably seeing their first traditional circus under the "Big Top" with all of its nostalgic excitement of the first time.

The usual swift unloading of animals and equipment will take place by circus workmen aided by the circus performing elephants, and out of apparent chaos will come orderly precision as the tented city is erected, the spokesman promised. The Carson & Barnes circus, currently on its annual tour of the U.S. and Canada is considered in circusdom to be one of the two major tent circuses in America today.

In addition to the featured star CBS TV Star "Sky King" who will appear in person at each performance.

There are more than 100 circus stars and performers in the

1968 addition of the big show, with several making their first appearance in America this year, having been brought from European and Asian countries by Carson & Barnes for this year's program. Included will be high aerial thrills, acrobatic and tumbling champions, tightwire wizards, risley and contortion exponents, spectacular near the dome of the big top trapeze dare-devils, juggling artists, a real wild west exhibition of trick shooting, roping and hazardous riding which is part of the main performance.

Other features include trained animal acts including an African Lion Act in the big steel arena, comedy canines and hilarious chimpanzees, troupes of training ponies and liberty horses and, of course, the ever popular peers of all circus performers, the "Ponderous Performing Pachyderms", as the circus refers to the elephants.

The doors to the circus are scheduled to open one hour before each performance. Miss Evon, noted aerialist, will perform a Free High Act above the main show entrance before each performance.

Early arrivals will be treated to ring side seats at no extra charge. All seats on first come, first served basis.

Immediately after the final performance here, the show is scheduled to make ready for their departure for the next day's show stand.

### AUCTIONEERS' NOTES:

Mr. and Mrs. Schultz have been milking cows for the past 25 years and are selling due to ill health and other interests. The dairy herd represents a good clean lot of high producing cows; and the balance of heifers that are top replacement stock. We invite you to inspect the stock prior to the sale; and make your bank arrangements now as the terms of the sale are strictly cash. Nothing is to be removed until settled for in full. All sales are final. Plan now to attend this sale, as the majority of the cows are milking in full flow and are good young cows.

## EVANSBURG NEWS

MRS. M. BRUNER,  
Correspondent

Well, now that we are having regular mail pickups and deliveries again, I guess there is no excuse not to try and send in a few items of local news. I do hope everyone who has given me news items during the past month do not feel too badly if I forget to mention some of them.

Congratulations go to Mr. and Mrs. Dan Burki of Sangudo on the birth of a baby girl. Mrs. Burki is the former Debbie Farrell of this district. The proud grandparents are Mr. and Mrs. D. Farrell of Evansburg and Mr. and Mrs. L. Burki of Sangudo, formerly of Entwistle.

Mrs. Margaret Thompson of Kitimat, B.C. has been visiting her mother, Mrs. Stewart.

Mr. and Mrs. Bob Rauser of Campbell River, B.C. are visitors at the home of Mrs. Rauser's parents, Mr. and Mrs. D. Farrell.

Funeral services were held recently for one of the village oldtimers, Mr. Bill Barewise, who had been ill in hospital for some time. Mr. Barewise's many friends will miss him.

Our sympathies go to Mr. Bill Tuke on the death of his brother, Bill. Mr. Bill Tuke was a resident of Toronto at the time of his death.

Our son, Lee, spent an enjoyable ten days at the camp at Surprise Lake and still talks of his adventures.

There was a slight(?) increase in the goat herd at the DeJong farm recently when one nanny presented the family with twins and the other nanny wouldn't be beaten so presented them with triplets.

Getting around on crutches these days is Zane, another of our sons, who has undergone surgery on his foot.

Students in grade twelve have been busy this week writing supplemental examinations at the high school.

Some members of the teaching staff for the coming year have arrived in the village. These are Miss Marie Jenkins from Edmonton and Mr. and Mrs. Thomas who have come all the way from England.

Mrs. Weist, a member of the school staff, has been attending a music workshop in Camrose.

A former member of the school staff, Mrs. Eleanor Clayton, was visiting with her family at the Weist home recently. Mrs. Clayton was better known as Miss Dalgleish when on the staff.

The field day planned by the Department of Agriculture to take place at the Weist farm had to be cancelled on account of rain.

The Agricultural Society held its meeting recently to tie up all the odds and ends of the coming annual fair. They extend an invitation to everyone to come and see the produce of the district.

They announce the winners of the field crops competition as follows:

Field of Oats: 1st, Mr. Paul Lemishka, Wildwood; 2nd, Mr. Ralph Tufty, Entwistle; 3rd, Mr. Steve Myschuk, Wildwood.

Field of Barley: 1st, Mr. John Mazeppa, Evansburg; 2nd, Mr. Steve Myschuk, Wildwood; 3rd, Mr. Dan Burki, Sangudo.

There were seventeen fields of grain entered in this competition which was sponsored by the Agricultural Society for the first time this year. The directors hope to see just as enthusiastic a number of farmers for the class next year.

### Jody Lind

### Wins Lamb

Lucky winner of the lamb that amused local youngsters in its sidewalk pen last weekend was Jody Lind of Buck Creek.

The draw was made at the Macleods Store, Drayton Valley, Saturday evening as a back-to-school contest among town and district children.

Despite the use of chemicals, crop losses due to weeds are about \$300 million a year, according to CDA's Research Branch.

## Funeral Service For A. Darragh

Mr. Allan Edward Darragh of Drayton Valley, Alberta, formerly of Innisfail, Alberta, passed away on Tuesday, August 13, 1968, at the age of 61 years.

Poirier of Calgary; 17 grandchildren; his mother, Mrs. Mabel Darragh of Calgary; two sisters, Mrs. Mary Dancy and Mrs. Ethel Mallinson of Calgary. Allan was predeceased by his father, Jim Darragh of Calgary, in 1959 and one sister, Mrs. Mabel Williams of Viking, in 1965.

Funeral services were held from the Eventide Chapel at Innisfail on Friday, August 16, 1968, at 2:00 p.m. with the Reverend Eric Read officiating. Interment was in the Innisfail Cemetery.

## Steam Tractor Misses Parade

To all those who were disappointed at not seeing McGregor Salvage's steam tractor in the parade Saturday, Bob McGregor passes along word of the misfortune that befell the machine Saturday.

The tractor was fired up on Thursday and Friday and everything appeared in top shape. Mr. McGregor worked most of Friday night rigging up a number of different toned whistles to add a little more parade color.

At 9:00 a.m. Saturday the machine was fired up again and then trouble lowered the boom. One of the boiler tubes gave up and the tractor had to be shut down and missed the parade.

Mr. McGregor is going ahead with repairs and the

tractor will be a part of the next parade, he says.

Built in 1911, the tractor spent most of its working days in the area between Calmar and Carnwood before retiring to McGregor Salvage a few years ago.

# Fabelhaft!

Brewmaster Steinecker said it first. It means "fabulous" and he should know. The Brewmaster comes from a long line of dedicated Bavarian brewers. He took all the traditions of his forefathers, added the touch of genius—and came up with a better way to make beer. Our new Steinecker Brewhouse, the first in North America, guarantees that every bottle is naturally brewed to consistently great flavour. Not a single one is sold until the Brewmaster says the word.

And the word is "Fabelhaft!"

## ENTWISTLE NEWS

MRS. E. OLIVER,  
Correspondent.

Mrs. Olive Clarke, wife of Bill Clarke Jr. is in an Edmonton hospital. We hope she is coming along and that she will soon be back home.

Mrs. Wilma Tufty as a-round again, even if in slow gear. We hope she will start regaining her strength and will be able to resume her normal activities.

Mrs. Gertie Smith has purchased a new house and we hope it will not be long before she can move in.

The Vacation Bible School sponsored by the Entwistle Community Church will take place on Thursday, August 26 to Monday, August 30. All are welcome to attend.

Stan and Betty McArthur and family were recent visitors to Entwistle and district. They were busy visiting their many friends and one evening Edward and Marlyne Nelson had a small gathering for them so they could visit more. We

thoroughly enjoyed the visit and found the McArthur's in good health and fine spirits. Russel Miller was home for a few days visiting his parents and friends. He has returned to B.C. to work till the end of the month.

It has been learned that Mr. Wm. Anderson has been taken to the Drayton Valley Hospital. Mr. Anderson has just returned from a visit to Swenden and we all hope he will soon be feeling fine and home once again.

Mr. and Mrs. Fredie Dvorsky of Brantford, Ontario are here visiting Mrs. Dvorsky's sister, Lil Hanson and her family.

## RAMONA

MRS. JEAN STEWART  
Correspondent.

Our community was saddened on Tuesday, August 13 when Mr. Allan Darragh passed away at Drayton Valley. Mr. Darragh was born on May 18, 1907 at Milnerton, Alberta, and grew up in the Innisfail district.

On October 10, 1929, he married Miss Agnes Mitchell. Of this union came five children, two girls and three boys.

In 1947 the Darragh family moved to Calgary and in 1953 bought a farm two miles north of Rocky Rapids store and moved to this district.

Sincere Sympathy is extended to the Darragh family at this time.

Mrs. Russel of Vernon, B.C., was out to visit her daughter, Mrs. Helen Darragh and family last week. On Thursday she left for Stanger to visit another daughter.

Alberta, Lois and Rhonda Fletcher spent last week at Dawson Creek, B.C. visiting with relations. They say they had a real good time.

Barry Vignal and Jim Wylie spent last week with their cousins, the Ken Stewart and family. This week Nearissa Wylie is visiting with the Stewarts. All three children are from Langley, B.C. and are spending their holidays with their grandmother at Entwistle.

Visitors from Red Deer on the week-end were Mrs. Margaret Haines and the Bob Butz family.

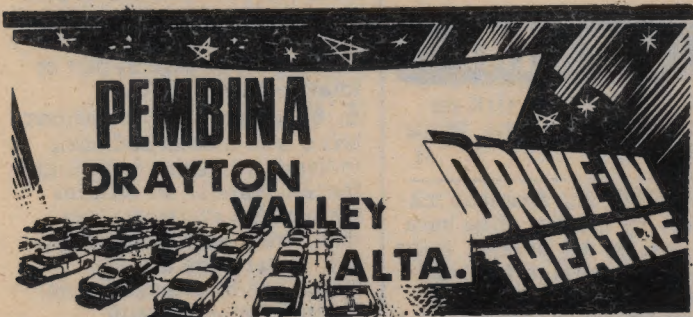

Happy birthday to Mary Kmyta and Earl Rasmussen. Last week I made a mistake and put Earl's birthday August 18, but it is August 19, so is Mary's. Happy birthday folks.

Also happy birthday to Terry Blake, August 22 and little Ionia Lysak will be two years old on Saturday, August 24.

## ENGAGEMENT

Mr. and Mrs. R. E. Knapp would like to announce the engagement of their daughter Karen Joy Knapp to Robert Crory of Drayton Valley.

## THANK YOU

I would like to thank all the people who so kindly supported me while contesting for Rodeo Queen.

Betty Hodgson

Klondike Stampede sponsors extend their thanks to all who worked at the grounds the day of the rodeo and for everyone's co-operation, which helped to make the rodeo the success it was. Special thanks to Bob Doig, parade organizer, and his men who helped during the traffic tie-ups and helped in running in the bucking stock, Friday night. It takes a large amount of work in putting a show this size together and to keep it running, without the help and co-operation of everyone - contestants, workers, and the spectators, it can not be done. We're pleased with the turn out and sincerely hope everyone enjoyed the day.

Earth worms which frequently damage lawns by throwing up little mounds of earth can be controlled with chlordane or lead arsenate. The chemical should be watered well into the soil after it has been applied.

## Beaver Not Recommended

Live beaver are again being promoted in this province says R. W. Gillies, fur farm supervisor for the Alberta Department of Agriculture. While beaver are now being raised with varied success in some climates, there is little indication that they can be raised as a successful pelting operation. Mr. Gillies, with over 30 years experience in the fur trade, considers it very much a risk investment.

The success of the mink business has been attributed to the quick maturity of this fur bearer, which makes a prime, valuable, marketable pelt with just over six months of feed and care. A mature beaver pelt, or "beaver blanket" as referred to in the trade, takes about three years of feed and care. The beaver requires water the year round to produce a prime pelt and in captivity in this climate this is nearly impossible to arrange.

The raising of all fur bearers in captivity must be assessed on the value of the pelts produced, says Mr. Gillies, and not what may be promoted and sold as livestock.
